Half/Marathon Program

TELL ME ABOUT YOUR PROGRAM?

The Half & Marathon groups meet every Saturday morning for a long run and on Monday & Wednesday evenings for more specific trainings. We strongly recommend you attend the weekday sessions as they make the difference in simply running the distance or achieving your long-term goals, such as a Boston or New York qualifying. This type of training program will give you the strength, the speed and the coordination to help you run more efficiently and ultimately faster, as proven by our hundreds of qualifiers over the past 20 years.
